

Concealed 5.6K pendent sprinkler offers easy install

The FM Approved and cULus Listed VK4621 Quick and Standard Response concealed pendent sprinkler is a 5.6K commercial sprinkler protecting Light and Ordinary hazards, utilizing a glass bulb operating element.

Features and advantages of Viking's VK4621 Concealed Pendent Sprinkler:

- Features a compatible wrench for easy installation
- Protective cap is designed to withstand rough usage and protect the sprinkler from paint overspray
- cULus Listed as a Quick Response sprinkler and FM Approved as a Standard Response sprinkler for both light and ordinary occupancies
- The sprinkler consists of a permanently mounted and threaded adapter cup designed to be installed with a low-profile cover assembly that provides up to 1/2" (13 mm) of vertical adjustment
- Available in both brass and an Electroless Nickel PTFE (ENT) coating for environments in which corrosion is more likely to occur
